**SOCIAL AND ORGANIZATIONAL  
SKILLS AND COMPETENCES**

I have eight years working experience in the Design field and a highly determined personality with an eye towards constant growth. I am predisposed to creative work with the ability to manage and organise large jobs easily and efficiently, my experience shows this. My interpersonal skills are strong and my ability to maintain a calm manner under pressure serves me well. I am upbeat and determined. I find good ideas and solutions by drawing and creating at speed and work out those solutions with as much ease either on a computer or with pens and paper.

**TECHNICAL SKILLS  
AND COMPETENCES**

I have experience in both creative and production teams, using DTP, digital illustration and markers (and photographic processing) where necessary. I have the ability to take a project from concept to completion with ease. I have some experience of web design, having it my own web site in Flash and designed other sites too.

**STRENGTHS**

Speed into elaboration project • Ability to find an idea • Strength of will

**INTERESTS**

Graphic Art • Illustration • Photography • Street Art •
